Brand Story

We are a metal-craft branding based in Hong Kong.

We aim to build a connection between metal craftsmanship and human lifestyle, blending the aesthetics of metal craft into everyday objects, from jewellery to homeware. After all, it's all about moments, nature and the passage of time.

Group Workshop

Workshop in our space / On-site Workshop

Uniqueness

Customise your hand-made pieces by hammering your favourite patterns, adding words through engraving, stamping, or laser-engraving your fingerprint on it.

Memorable

To enhance your true enjoyment of the workshop, we provide a free photo service during the session, recording the memorable moments for your team. You are always welcome to inform us if this service is not needed.

Beginners welcomed, professional tutoring

Embark on an engaging metal-smith journey by following our step-by-step guides instructed by our metal professionals.

We design courses that are easy to handle and safe for beginners.

Tinware Workshop: Sake Cup

Price per person : **\$800 - 980**

Duration : **1-1.5 hrs**
